From U.S. Interstate 10 Mississippi River Bridge westbound, remain in the middle lane on the bridge and take the Plaquemine exit (Exit 153). Immediately exiting the ramp, remain in the right lane and proceed straight to the port entrance. A security guard will check your driver's license and vehicle license number. The MSOC/EOC/9-1-1 Building is a silver building located on the river levee on your right. The meeting will be held in the Classroom on the first floor of the building.
