Is GISP Certification in your Future?

The next testing window for the GISCI Geospatial Core Technical Knowledge Exam® as a part of the GISP Certification is scheduled for June 2-9, 2018. [Learn more](#)

COGO—Elevation Data Survey:

COGO, the Coalition of Geospatial Organizations, is distributing a survey on stakeholder feedback regarding use of public elevation data. A COGO Elevation Theme committee put together the survey linked below and requests your feedback as a geospatial professional. —Your input and opinion are valuable in helping to provide an accurate assessment of elevation data and its use. We appreciate your time completing this 10 minute survey. Please complete the survey by May 15th.: <https://www.surveymonkey.com/r/J2Q23C5>

Free Webinars:

- **Free ASPRS Webinars—GeoBytes**
 - **Free NASA Webinar in May—**
