2011 GIS/CAMA Technologies Conference in
Memphis!

Mark your Calendar –

16th Annual GIS/CAMA Technologies Conference

March 12-15, 2012

San Antonio, Texas

Let's Celebrate Our Successes

The URISA –led United States Thoroughfare, Landmark, and Postal Address Data Standard was endorsed by the Federal Geographic Data Committee.

Thanks to:

Ed Wells, GISP

Hilary Perkins, GISP

Carl Anderson, GISP

Martha Wells, GISP

Sara Yurman, GISP

and dozens of additional participants in this amazing effort!

Let's Celebrate Our Successes

URISA Headquarters converted to a new (less expensive & more robust) membership management system that offers easy on-line purchases and self-updating of contact information.

The screenshot shows the URISA Online Store website. The browser window title is "Online Store - Mozilla Firefox". The address bar shows the URL: <https://netforum.avectra.com/eweb/Shopping/Shopping.aspx?Cart=0&Site=URISA>. The website header features the URISA logo and the text "The Association For GIS Professionals" and "www.URISA.org". The address "701 Lee Street, Suite 680, Des Plaines, IL 60016-4508" and email "info@urisa.org" are also visible. A navigation menu on the left includes links for Home, My Information, Online Store (selected), Upcoming Events, My Transactions, Individual Directory, Contact Us, Members Only, GISCorps, and GISCI. The main content area displays "Online Store - Wendy Nelson - Individual Comp, Expires 12/31/2012." with a "[Logout]" link and a shopping cart icon showing "Items: 0" and "Total: \$0.00". Below this, there is a "View Memberships" button. The "Featured Products" section lists three items: "GIS-Pro 2011 - URISA's 49th Annual Conference for GIS Professionals" (Member: \$400.00, Non-Member: \$475.00), "URISA Leadership Academy 2012" (Member: \$1000.00, Non-Member: \$1200.00), and "Individual Membership" (Member: New). A search bar at the bottom allows users to shop for "Top 100 Products" and includes a "Search for:" field and a "GO" button. The Windows taskbar at the bottom shows the Start button and several open applications, including "Inbox - Microsoft O...", "November Indy", "Microsoft PowerPoin...", "RE: Sanborn Logo - ...", and "Online Store - Mo...". The system clock shows "3:55 PM".
