

Aaron Baxter Miller

603 Locust Street, Corona, CA 92879

E-mail: Aaron.Miller.15@gmail.com Tel: (909) 764-7649

Objective

To apply my knowledge and work experience as a GIS analyst for a progressive company that focuses on Geotechnical and Environmental services.

Technical Skills and Knowledge

Software -ArcGIS, Tremble Pathfinder, Adobe Acrobat, Excel, Google SketchUp, ERDAS Imagine

Courses - Advanced GIS, Computer Cartography, Photographic Remote Sensing, Digital Image Processing, Field Geography, Environmental Law

Work Experience

May 2010- Present **BMLA Inc.**, Corona, CA
GIS Intern

- Completed multiple assignments as part of complex park management project for the City of Fontana. Established pilot protocols, collected GPS waypoints and met defined project deliverables and timelines to successfully establish a new service line for this progressive landscape architecture firm.
- Supported the marketing effort by introducing a “route map” of potential client visits for Principals of the firm.

May 2009- Present **The Foothill Fruitstand**, Corona, CA
Sales Representative

- Immersed in all aspects of the business, from farming to sales.
- Supported the growth of the business beyond the primary retail location by expanding to farmers markets and engaging local restaurants.
- Served as primary contact with the public and trade, and handled distribution as needed.

October 2009- Present **Eleanor Roosevelt High School**, Eastvale, CA
Girls Water Polo Assistant/Junior Varsity Coach

- Introduced young athletes to the sport by teaching fundamentals and team strategy.
- Modeled appropriate skills and attitude to motivate team success.
- Engaged parents to educate them on rules and skill development for their child.
- Analyzed performance and developed team strategy to achieve balance.
- Achievements: After the first season of coaching, three inexperienced players moved to varsity starting positions within a span of 9 months.

Education

Study Abroad – New Zealand, June-August 2011

B.S. in Geography, GIS emphasis – California Polytechnic University, Pomona, June 2011 (Dean’s list)

A.A. in General Education -- Chaffey Community College, 2009

Memberships and Conferences

Member of the Association of American Geographers

Member of URISA

Member of the California Geographical Society

Cal Poly Pomona Geography Club Member, 2009-2011, 1 year as Vice President

April 2011- Association of American Geographers National Conference in Seattle, WA

January 2011- ESRI GeoDesign Summit 2011, Redlands, CA

May 2010- California Geographical Society Annual Conference in Fullerton, CA
