JUST PUBLISHED: The 2010-2011 URISA Salary Survey is now available!

Based on the success of its predecessors and the high-level of demand for more information by URISA members, the 2010-2011 salary survey has been further expanded and includes a much wider-range of detailed information. Additions include more job titles and questions pertaining to the increase/decrease of department size, professional certification, specific skills and soft skills and salary information

Exclusive Offer: When you purchase the 2010-2011 salary survey, you'll also receive a copy of the 2006-2007 Salary Survey (while quantities last), which is a combined value of over \$200! The Salary Survey is available on CD only.
