Article Title: _____

This publication form, appropriately completed and signed (in reference to the article listed above) must be submitted to URISA before your article can be placed on the URISA web site for review or published in a URISA publication.

Your execution of this agreement allows you to retain full but non-exclusive rights in your work. You grant URISA exclusive right of first publication for this article, plus an accompanying grant of non-exclusive full rights. Under this arrangement URISA is free to use the article in any future printed or electronic publications, but the author retains this right as well. The author may use their article in any way they see fit (revise, adapt, prepare derivative works, present orally or distribute copies) without obtaining permission from URISA, provided that full and appropriate credit to URISA for first publication is noted.

By entering into this agreement, you warrant that your entry will no way infringe upon any copyright or proprietary rights and that it will not contain anything unlawful, libelous or be a violation of any rights of privacy. You also agree to hold URISA harmless from any and all liability, expenses of damages arising out of the contents of your article or its revision or the publication of any unlawful matter, excepting, however, any matter added at the request of URISA.

The author understands that URISA members are hereby granted liberal permission to print out or retain an electronic copy of your article as it appears on the URISA web site **for personal use only** and not for further dissemination provided that any copy is maintained or printed in entirety and the original publication information is maintained with the article.

Your only compensation for the article is its publication and dissemination on the URISA website or within a URISA publication.

URISA will accept for peer review and possible publication articles for which rights have been conveyed previously to the general public through the use of the Public Library of Science Open Access License (<http://www.publiclibraryofscience.org>), the Design Science License (<http://www.dsl.org/copyleft/dsl.txt>), the General Public License (<http://www.gnu.org/copyleft/gpl.html>) and, at the discretion of the Publisher and Editor, similar open access licenses.

After signing this agreement please submit it immediately to URISA Headquarters. All contributors must sign this agreement.
