Join us for our February Chapter Meeting *"Web Based Mapping Technologies"*

When: Wednesday February 10th, 1:00 to 4:00 PM

Where: City of West Sacramento – Civic Center Galleria
1110 West Capitol Avenue, West Sacramento, California

Parking is by permit only at the meeting site – alternate parking is available at the Spiritual Awareness Center Building parking lot east of Civic Center (1020 West Capitol Avenue)

The meeting will begin with a short business portion (20 minutes) followed by speaker presentations and open discussion. Presenters will discuss open source and off-the-shelf web based mapping solutions and show examples of these technologies in action, then open up the meeting to audience participation in further discussions of the topics.

Speakers will include:

Brian Morgan (UC Davis)

Darrin Farmer (Westin Solutions, Inc.)

Doug Renwick (HostGIS)

A detailed agenda will be on our website as it becomes available. This Chapter meeting is open to anyone interested in the meeting topic and wanting to network with other GIS professionals and practitioners. So come join us and consider becoming as a member.

Check out our website (www.norcalurisa.org) to find updated chapter information, and be sure to join our mailing list.
