Carolina URISA

Dear URISA Board of Directors and Staff,

Carolina URISA believes OneURISA represents a strong step forward in creating a modern and beneficial organization for all members, both chapter and International. Our organization supports moving forward with the OneURISA initiative as we work through the various issues and details, keeping in mind that this is merely a letter of support and not a legally-binding agreement.

Respectfully on behalf of Carolina URISA,

Wayne Brewer

Lisa Holzberger
