

URISA – Supporting GIS Professionals Since 1963

2020 Partner Packages

**URISA members are decision-makers.
They are the leaders who drive the adoption of technology within their organizations.**

The URISA Partner Program provides distinct benefits:

- **Visibility** as a leader in the GIS Community
- **Direct access** to URISA members who are shaping the future of the industry
- **Participation** in the organization's programs

A partnership with URISA will raise your organization's visibility, facilitate the exchange of information and ideas, and build relationships with the Who's Who in GIS. **The partnership is much more than sponsoring a conference.** You will have a seat at the table in shaping URISA's agenda with a direct link to the Board of Directors. Network with URISA's leadership and share valuable perspectives on industry issues. Capitalize on the opportunity to exchange ideas and propose programs that benefit both your organization and that of the URISA membership and GIS Community as a whole.

- "DTS has been a long standing member of URISA because they are the thought leaders in terms of sharing best practices for GIS Management and Municipal business process analysis through training, networking, and educational opportunities." - *Allen Ibaugh, AICP, GISP, CEO - Data Transfer Solutions, Orlando, Florida*
- "The connections and professional education that URISA provides to us at GeoDecisions continues to be invaluable. The more we are involved, the more we have gained. I have seen significant benefits for the company as a whole when my staff is involved with the geospatial community that URISA brings together. I am extremely grateful to the professionals at URISA and the enthusiasm and dedication they bring to our entire community." - *Brendan Wesdock, M.C.P., GISP, President, GeoDecisions*

The opportunities for engagement are limitless and the levels of partnership were designed to accommodate a wide range of budgets and resources.

We invite your participation as a Partner.

Packages are detailed below. Learn more by speaking with URISA's Executive Director, Wendy Nelson (847/824-6300, wnelson@urisa.org).
